SEA TURTLE RECOVERY

Opening May 2017

As we prepare to open a new exhibit, a wall will be erected to block the construction area and maintain the integrity of our beautiful venue for your event. The wall will be added prior to construction and will remain in place until the exhibit's completion.

Facing the Great Hall at the entrance of the current Madagascar Journey exhibit, the finished wall will blend with the colors and design of the Aquarium's existing features.

We look forward to helping you create your wedding vision with the artistic features of the Aquarium's Great Hall. Talk to the Aquarium Events Team about your creative ideas to make this a truly memorable experience on your special day.

“I want to extend a huge thank you for all of the assistance with [the bride and groom’s] wedding. They had a fabulous event and loved every minute! ... Coordinating an event at the Aquarium was one of the easiest I have had thus far.”
