**Dive Computer Training Verification Form**

Review questions

1. Breathing compressed gas increases the bodies' retention of nitrogen and oxygen. TRUE FALSE

2. Bottom time should be planned using either dive tables or computers.   TRUE FALSE

3. _____ is the "Father of Decompression Theory"

4. The US Navy published their original dive tables in what year? _____

5. What is the No-Deco time limit at 50' using:

   a. Navy Tables   _____

   b. NAUI Tables   _____

   c. PADI Tables   _____

6. Each diver is required to wear a dive computer.   TRUE FALSE

7. If a computer fails, the diver should end the dive and surface immediately.   TRUE FALSE

8. Computers require _____hours to completely off-gas after use.

9. Ascent Rate should be _____ft./min.

10. Decompression diving is allowed at SCA.   TRUE FALSE

11. Repetitive dive and ascending profiles should also start with the deepest / shallowest dive first.

12. Reasons not to push computer limits include: (circle all that apply)

    a. Strenuous Work

    b. Divers Age

    c. Previous injury

    d. History of DCS

13. What manufacturer and model of dive computer is used at SCA? _____

14. What button changes the computer from watch mode to dive mode? _____

15. Computers showing a dive and surface interval from the previous day should be used. TRUE FALSE

16. Identify the following information from the image

Nitrogen graph _____

Ascent rate graph _____

Depth _____

No Deco Limits _____

Total dive time _____

Fig. 69 - NO DECO MAIN
17. Alarms are on and important. TRUE FALSE

18. The back light for the computer is activated by which button? _____

19. The computer # should be logged in the dry erase board and paper dive log.   TRUE FALSE

20. Computers should be rinsed in freshwater at the end of the day.   TRUE FALSE

Hands on Training

_____ Turn Computer ON
_____ Monitor during the dive
_____ Debrief after dive

I have watched the Dive Computer PowerPoint.   _____Initial

I have had explained and understand any of the questions that I missed or did not understand. _____Initial

I understand that 2 additional supervised training dives are required before I am trained on Dive Computers at SCA.   _____Initial

_____ _____
Signature   Date

_____
Print Name
