Get to know audience

Introduce Diver

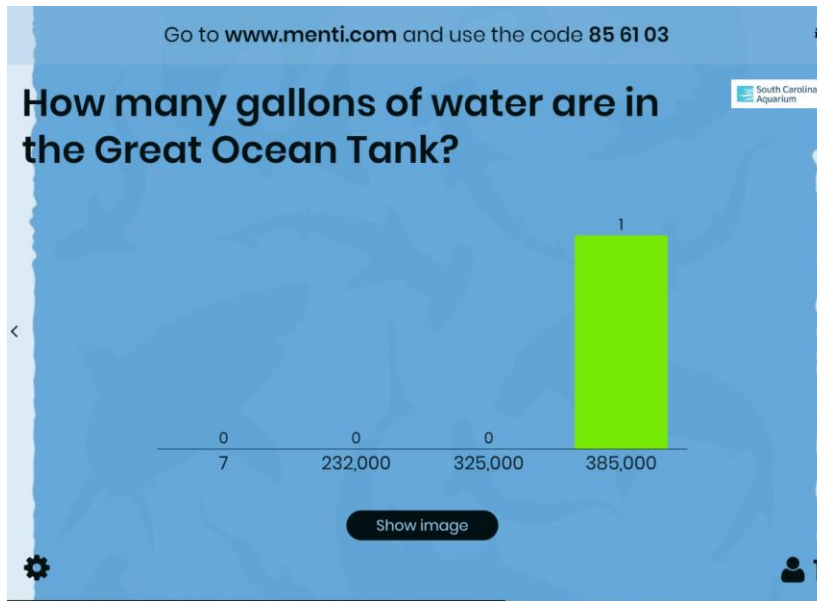

While the audience is answering, ask the diver how long they have been a diver here.

This is a word bubble. If everyone says "David" then "David" will be large.

Get to know the diver a bit more by asking a question like, "What's your favorite diving location?"

3

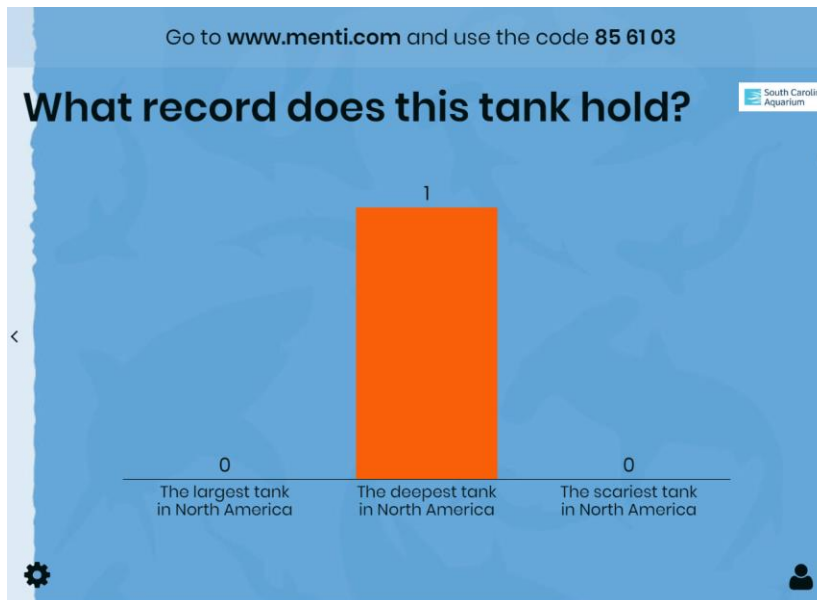

While the audience is answering, ask the diver where the water comes from.

Diver- originates from the Cooper River and is treated with ozone. The Life Support team manages and tests water for all exhibits.

Confirm that correct answer is 385,000 gallons.

There's another 40,000 gallons of water in the filtration system around the GOT.

4

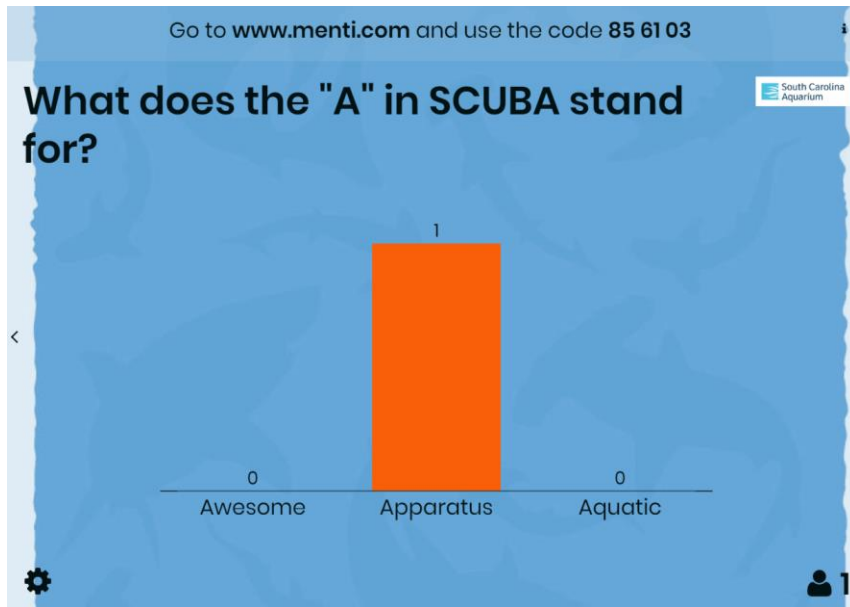

While the audience is answering, ask the diver how deep they are right now.

Diver- 27 feet deep.

Confirm that correct answer is the deepest tank in North America.

The GOT is 42 feet deep at its lowest point. Take a look through the slanted window for animals like the nurse shark.

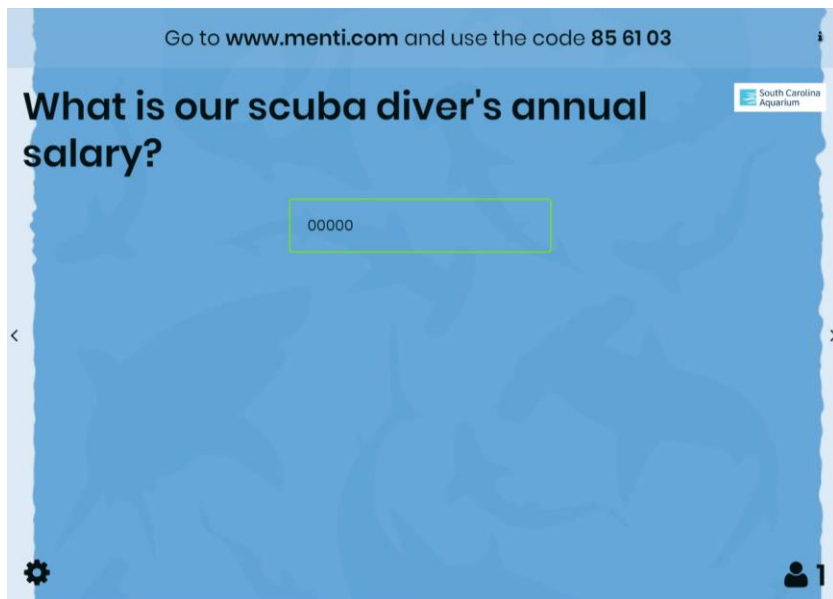

While the audience is answering, ask the diver how to become a SCUBA diver at the SC Aquarium.
