FIRST FLOOR EXHIBITS

1 Mountain Forest

You will hear bird sounds and waterfalls, and see animals like otters and fish in this outdoor exhibit.

2 Piedmont

Head back inside to visit freshwater fish that live in streams, rivers and man-made reservoirs.

3 Coastal Plain

See alligators, snakes, frogs and toads that call South Carolina swamps home. Please note, a loud microphone is used during this program.

4 Kids Coast

Climb into a plush submarine, read a story book or play with a puzzle in this interactive toddler area made possible by PNC Foundation.

5 Saltmarsh Aviary

See injured and non-releasable birds up close in this outdoor exhibit. Please note, some birds will fly overhead, and noises from the harbor may be loud.

6 Touch Tank

Reach into the water to gently feel live animals with different textures.

7 Coast

Play a fishing game, look at a lionfish and watch spiny lobsters in this split gallery.

8 Ocean

Watch scuba divers, a sea turtle, sharks and other fish swim in a 42-foot exhibit. Please note, loud sounds occur during this program.

**Zucker Family
9 Sea Turtle Recovery™**

Visit sea turtle patients receiving care, and touch augmented reality tablets to see how veterinarians take care of sick turtles. Please note, a loud microphone is used during this program.

10 The Shallows

Touch rays with two fingers at this 20,000-gallon outdoor touch tank that overlooks the Charleston Harbor.
