CREATE A LEGACY

Since your very first visit, you have been part of the South Carolina Aquarium family. You have made meaningful memories with us. You have developed strong connections with the natural world, the animals in our care, and others in the community. Thank you for being part of our family.

The Pillars of Support are opportunities to invest in our mission and leave a lasting impression on the Aquarium landscape. With a gift starting at \$500, your family's name will be beautifully and artistically displayed on a legacy fish on one of four lighted pillars, prominently exhibited within the Aquarium's Great Hall. Your fish will publicly recognize your family's support and legacy within the South Carolina Aquarium.

Make your mark on the Aquarium and honor your loved ones with the purchase of a legacy fish today.
