

Selfie Scavenger Hunt

MIDDLE SCHOOL

Are you good at taking selfies? How about taking them with animals? As you explore the Aquarium, use the following clues to find the animal, plant, or habitat being described. Ask your teacher how many you should do. Once you find the answer, take a selfie with the answer to PROVE you found it. Happy clicking!

1. This is where the Ashley, Cooper and Wando meet.
You sometimes see dolphins here — what a special treat!,
2. You see me on quarters, in the sky or a tree.
No longer endangered, I'm soaring in the land of the free.
3. My fur is dense, and I have big webbed feet.
You won't find me in the ocean, freshwater creatures is what I eat.
4. I was thought to be extinct due to habitat loss.
But I was rediscovered in Georgia, and those assumptions were proved false.
5. I like to use my rattle to distract and protect.
And when I feel threatened, my venom I inject.
6. Diamond-shaped scutes line the top of my shell.
My strong, webbed-feet help me swim and propel.
7. I am a venomous fish with red and gold stripes.
Invasive to our waters, I can be eaten, fried or diced.
8. I am a transparent invert.
Plankton is what I eat.
For protection I have stinging cells that I can excrete.
9. I am the state reptile with a log-like head.
I'm ectothermic and my shell is a brownish red.
10. I'm the most endangered turtle in the big blue sea.
I'm also the smallest turtle that Carolinians see.

HINT: these go from the mountains to the sea
