# Conservation Stewards

Be a part of our closest circle of philanthropists by becoming a Conservation Steward of the Aquarium. This nationwide community invests in sustaining the critical education and conservation programs that broaden the Aquarium's reach, both within our walls and beyond. As part of this community, you support our efforts to preserve South Carolina's natural treasures and continue to connect people to water, wildlife and wild places.

Conservation Stewards deepen their impact by contributing above and beyond the cost of a visit or membership. Benefits include:

**\$500–\$999 (or \$43–\$83 per month)**

- Access to the Aquarium for up to two listed adults in the same household, children or grandchildren under 18 and two guest privileges per day
- Quarterly communication with exclusive invitations
- Private, annual behind-the-scenes tour for your household and guests (10 people maximum; please schedule at least three days in advance)
- Invitation to the annual Conservation Steward family picnic

**\$1,000–\$1,499 (or \$84–\$125 per month)**

- All of the above benefits
- Annual “Lunch and Learn” with our chief veterinarian
- Guided, annual tour through Zucker Family Sea Turtle Recovery™ (10 people maximum; please schedule at least three days in advance)
- Invitation to Aquarium Aglow preview night
- Annual Beyond the Classroom family discovery series event
- Exclusive invitation to one Watershed Society event per year
