

Drop-Off/Pick-Up

Summer Camp

South Carolina
Aquarium

Drop-off and pick-up will take place in the gravel parking lot behind the Boeing Learning Lab at the Charleston Maritime Center.

1. Head south on Concord Street until you approach the end of the road.
2. From Concord Street, turn left onto Laurens Street. Laurens Street will curve to the left and become Wharfside Street.
3. Once on Wharfside Street, the gravel parking lot on your right will be your pick-up and drop-off location. Turn right into the parking lot, and keep straight until you reach the Boeing Learning Lab. Have your ID ready to show to Aquarium staff.
4. Once you have picked up or dropped off your camper, turn right out of the parking lot onto Wharfside Street to exit.
