

CONSERVATION STEWARDS

The South Carolina Aquarium Conservation Stewards are a nationwide community of annual, philanthropic supporters who invest in sustaining the powerful education and conservation programs that animate the Aquarium locally and across the globe. Members of this giving society support the efforts of the Aquarium to preserve South Carolina's natural treasures, conserve habitats and connect individuals to the wonder of the natural world.

**South Carolina
Aquarium**

Conservation Stewards deepen their impact by contributing above and beyond the cost of a visit or membership. Benefits include:

\$500–\$999 (or \$43–\$83 per month)

- Access to the Aquarium for up to two listed adults in the same household, children or grandchildren under 18 and two guest privileges per day
- Quarterly communication with exclusive invitations
- Private, annual behind-the-scenes tour for your household and guests (10 people maximum; please schedule at least five days in advance)
- Invitation to the annual Family Picnic
- Recognition in the South Carolina Aquarium Annual Report

\$1,000–\$1,499 (or \$84–\$125 per month)

- All of the above benefits
- Guided, annual tour through guest facing Zucker Family Sea Turtle Recovery™ (10 people maximum; please schedule at least five days in advance)
- Invitation to Aquarium Aglow preview night
- Annual Beyond the Classroom event
- Exclusive invitations to VIP hours and events
